

2007-2008 VERIFICATION WORKSHEET for Federal Student Aid Programs

Your application was selected by the U. S. Department of Education for review in a process called "Verification." In this process, **Samford University** will be comparing information from your 2007-2008 FAFSA with **signed copies** of your and your parent(s)' **2006 Federal tax forms, W-2 forms, and this worksheet**. If there are differences between your FAFSA information and your submitted financial documents, we will automatically send corrections electronically to the Department of Education, in order to have your information reprocessed. If changes are made, you will receive via mail/e-mail a new Student Aid Report (SAR) indicating these changes, which you should keep for your records; do not make further changes on the SAR (*yellow pages*) after verification is complete. **It is important to complete verification as soon as possible, so that your financial aid will not be delayed.**

SUBMIT THE FOLLOWING FOR YOU & YOUR PARENT(S):
