

What Can Parents Do?

- Know the classes your student is taking and his or her daily schedule.
- Ask if they have they have set aside regular study times.
- Ask them to show you the syllabi from their classes.
- Encourage them to speak their instructors.
- Remind them to use DegreeWorks to track progress and GPA.
- Remind them to check Moodle for course info.
- Check university's academic calendar to monitor important dates such as last day to drop/add, midterm grades, etc.
- Encourage students to contact the ASC anytime for anything.
