Exemption from ACCT 511, ECON 512, and FINC 514 may be awarded with an earned C- or better in an approved undergraduate accounting, economics, or finance course at a regionally accredited institution. To earn exemption by testing out, a student must earn a 70% on the prerequisite course final exam.

I understand that applying for a prerequisite waiver means that I am prepared to enter the graduate core level accounting, economics, or finance course. I also understand that I will be held to the same standard as those who took the prerequisite course at the Brock School of Business.
