

Samford University Global Drug Information Service Publications

2006 Index – 4th Quarter

Instructions for use.

1. Locate term of interest.
2. Determine publication type, issue, page number. Publication type indicated by first letter: C=Clips, D=New Drug Fax Sheet, P=Pharmacy Précis, R=Rx T.I.P. Issue is the number that follows the letter. Page number follows issue by a colon.

Each quarter a cumulative index will be sent to each subscriber. The last quarter will be the final index for the year.
