

STUDENT SPOTLIGHT APPLICATION

Spotlight is a collection of stories about teenagers leading worship in their communities of faith. Each year, we enjoy meeting talented, committed, engaged teenagers, as well as hearing about the ways their congregations are engaging them in the worship life of the church. We hope these stories will give teenagers the courage to find their voice in the local church, and we hope these stories will give leaders the inspiration to employ teenagers in worship through intentional mentoring processes. We'll be adding new stories each month, so check back often.
