***Foreign Language Requirement:** Students must complete language classes through 202 or higher. A placement exam alone cannot satisfy this requirement. At least one class must be completed at Samford.

****Class Piano:** If piano proficiency is met, the student will replace the credits with music performance electives to reach a minimum of 4 credits of supplementary performance credits.

*****General Electives:** Students must complete between 18-22 credits of general electives in order to reach the minimum number of credit hours required for graduation (128 credit hours). If a student completes more than one foreign language class (meaning that the student has placed into 101, 102, or 201 levels of a foreign language), the other foreign language credits will count toward the general elective requirements.
