***Math/Science and Social Science:** Students should complete a Change of Academic Program form to declare a pre-health professions track in order to receive academic advising regarding the sequence of courses and additional recommended coursework, if applicable. The pre-health courses are included in the first three years so that students can apply to graduate programs the summer before senior year begins.

%%Students may choose to add courses CHEM 312/313 to their course sequence for MCAT preparation

**If piano proficiency is met, the student will replace the credits with music performance electives to reach a minimum of 4 supplementary performance credits.

Course Rotations:

CHEM 207/208- offered Spring semesters only

CHEM 350- offered Fall semesters only
