

HOW TO VOLUNTEER

PRO BONO REFERRAL LIST

While C-VETS does not directly engage volunteer attorneys to work on clinic cases, we are seeking attorneys willing to provide pro bono legal services on referral from the clinic. Therefore, C-VETS endeavors to maintain a list of attorneys who are willing to take referrals (on a *pro bono* basis) for matters that are either outside the scope of the clinic's representation or due to space limitations, the clinic simply cannot undertake. If you are interested in joining our pro bono referral list, please e-mail the C-VETS clinic at cvets@samford.edu or call the C-VETS managing attorney, Kevin Patton, at 205-254-1033, with your contact information.

Additions and deletions to the referral list are at the sole discretion of C-VETS.
