Followed by a reception in the Cathedral Life Center

The Red Mass is a Mass of the Holy Spirit which is celebrated annually at the opening of the judicial year to invoke divine guidance for all who seek and administer justice. This Thirteenth Century European custom received its name from the red color of the vestments worn by the celebrant and the scarlet robes worn by the Lord High Justices. In the United States today, a Red Mass is celebrated in most of the major metropolitan areas and is attended by judges, lawyers, public officials, law school faculty, students and the public.
