A Note from the Dean

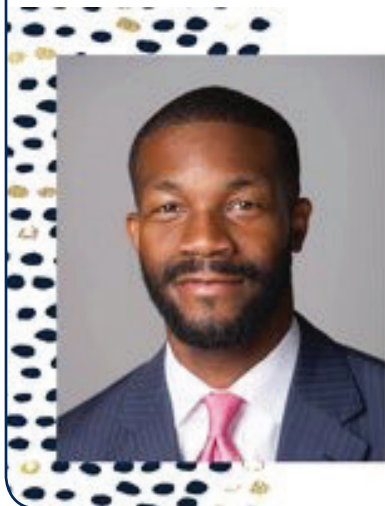

I hope you all had a meaningful and pleasant Christmas break. Much has happened since our last newsletter. The college football playoffs saw their first overtime games yielding yet another national championship. Even closer to home, the state of Alabama elected a distinguished Cumberland alumnus to the United States Senate in an election watched around the world.

I hope these events and recharging with family and friends over the holidays has energized you for a great semester. One of the joys of the academic calendar is that we have the luxury of starting all over again every semester. I wish you a productive and successful semester.
