

## **Checklist by Year**

***Samford University Career Development Center***

---

---

### **Sophomores**

- Visit a career counselor to discuss career plans or major options
- Confirm your major and, if you are considering changing it, visit the CDC for major choice counseling; also talk with a representative from the academic department to learn more about degree requirements
- Declare your major if you haven't already done so
- Consider the benefits of adding a minor field of study to your degree plan
- Research careers and conduct information interviews
- Continue on- or off-campus work
- Prepare a resume and have it reviewed by a career counselor
- Gain career-related work experience through campus organizations, volunteer work, internships, and/or summer jobs
- Register online at: [www.hireSamford.com](http://www.hireSamford.com)
