PASTOR DAVID TEW ON SABBATH LEAVE

Our Pastor is on Sabbath Leave during May, June, and July. Brother David has designed his sabbatical experience through The Center for Pastoral Excellence at Samford University in Birmingham.

His Sabbath Leave is planned around three goals. The first is to set aside time for spiritual growth and development. To that end Brother David will concentrate on prayer, Bible study, meditation, and seeking out a wide variety of worship experiences. The second goal is to expand his knowledge in a concentrated area of academic study related to leadership and pastoral care. He will be consulting with experts and reading extensively in accomplishing this goal. The third goal is to meet and interview other ministers to learn from their experiences what is working well in other churches.

Along with all this our pastor will enjoy time for family, recreation, and artistic expression in photography and music that will be equally as important in his renewing sabbatical experience.

Brother David's Sabbath Leave is a part of our recognition of his twenty years of faithful service at First Baptist as our pastor.
