IMPORTANT: This form does not allow for the creation of scholarships or grants. Rather, it allows a student to possibly borrow more funds to help cover necessary expenses.

As part of Samford University's commitment to serve the needs of all our students as individuals, we offer this form as an opportunity for you to elaborate on your family's needs and how any of these circumstances not taken into account on the Free Application for Federal Student Aid (FAFSA) may affect your financial aid eligibility. Every submitted request will be reviewed and any changes made will be decided on a case by case basis. **Please note:** Submission of a request does not guarantee changes in financial aid. All decisions are final.

Our Cost of Attendance (COA) consists of a number of costs, both actual and estimated. Actual costs include tuition, fees, room, and board. Estimated costs include books and supplies, transportation, personal expenses, and loan fees. The COA will vary from undergraduate to graduate students and among the different graduate and professional programs. Adjustments to the COA may be made if a student has experienced an unexpected expense outside of the original allotment.
