

# Residence Hall Move-In Procedures for New Students

Check-In Time on Friday, August 25, is 8:00 am - 12:00 pm

## Step 2

On **Friday, August 25**, follow instructions below.

- **PLACE COLOR-CODED DECAL IN THE FRONT LEFT-HAND CORNER OF EACH VEHICLE.**
- When you arrive onto campus, you will be greeted with color-coded directional signs to direct you to the proper unloading zone and staff to assist you if you need information.
- Follow color-coded directional signs that correspond with the color-coded decal to your assigned residence hall and unloading area – Lena Vail Davis, Smith, Pittman, Mountainview, Beeson Woods (Evergreen), or West Village.
- When you arrive at your assigned residence hall, staff will direct you to park in a temporary unloading area. **The driver must stay with the vehicle until it has been moved out of the unloading area!**
- Once parked in the unloading area, the student should immediately proceed to the check-in area of his/her residence hall with their health insurance information and Samford University ID in hand to receive his/her room key. He/she must immediately return to the unloading area after receiving his/her key.
- After the car has been unloaded, the driver must immediately move his/her car and will be directed to available parking. (Cars **cannot** remain parked in the unloading zones.)
- One person in the party must stay with the student's belongings as they are unloaded onto the grass while other party members and staff help transport the belongings to the student's room.
- **To avoid losing any belongings, please label all items with student's name, residence hall name and room number.**
