Samford University espouses a philosophy of higher education anchored in Christian faith and values. These values include a dedication to truth, honesty, love, and social responsibility as reflected in Jesus Christ. One's conduct, conversation, and attitudes with students, in and out of the classroom, should exemplify these values. The University supports an active advocacy of Christian belief and practice on the part of its faculty. In all facets of campus life, it seeks to inculcate Christian ideals through the example of its representatives. As an institution founded and supported by a religious constituency, it desires its teachers to manifest a vital spiritual life nourished by participation in a chosen community of faith.
