SAMFORD UNIVERSITY

January 26 – January 28 2023

GREETINGS!

Hi y'all! Welcome to the 73rd year of Step Sing at Samford University! We are so excited to serve as your Step Sing Committee Chairs this year. We are thrilled Step Sing is finally here and that we get to cheer on all the shows alongside you.

Step Sing is a beloved tradition for students and alumni that brings many to our campus. Through singing and dancing, groups are immersed in an encouraging, fast-paced environment that allows for lifelong friendships to be formed. It is an honor to be a part of this special season.

It has been an honor to watch the countless hours of practice, meetings, and rehearsals each group and director has put in. We want to thank you, for enthusiastically supporting as their hard work comes to fruition. A huge shout-out goes to the directors, Step Sing Overall Committee, Wright Center Staff, Media Center Staff, Lauren Taylor, Paige Frey, and costume expert Mary Gurney. Last, but certainly not least- Nicole Klaubert has put in countless hours to make this show possible and deserves all our gratitude!

We can't wait any longer, so here is Step Sing 2023! We hope you love it as much as we do.

HISTORY OF STEP SING

Step Sing began as a sing-along on the steps of Renfroe Hall at the Howard College East Lake Campus in 1951, making 2023 a celebration of 73 years of Step Sing. Sponsored by the Women's Service Organization, it was originally held once a semester and soon began to take the form of a competition. In the late 1950's, campus organizations decided to gather only once a year in December. They moved the competition to the steps of "Old Main," where each group sang two songs.

In 1957, Howard College moved to its present location on Lakeshore Drive, bringing with it the tradition of Step Sing. Many changes, including the addition of costumes and props, took place during the 1960's. In 1966, emcees became a part of the action, and in 1967, each group began choosing a theme around which to base its show.

In 1971, Step Sing celebrated its twentieth anniversary, and the Sweepstakes Trophy was added. A few years later, the first band accompanied the performances. In 1976, Step Sing was moved to its current home in the Wright Center.

Groups began using recorded music instead of the Step Sing band in the early 1990's, and the committee began awarding "Participants' Choice Award" to the cast members' favorite show.

Under the direction of the Division of Student Affairs and the Office of Student Activities and Events, Step Sing is organized by students, including music arrangement, choreography, and costume design. Step Sing has become an educational activity in which the students participate through leadership development, organizational administration and time management, and continues to be one of the most popular traditions at Samford.

STEP SING SCHOLARSHIP

In celebration of the 73rd anniversary of Step Sing, we will award the Step Sing Endowed Scholarship, which was established in 2020. Through the years, students at Samford University have worked tirelessly to keep this tradition thriving, and Step Sing is thrilled to acknowledge these students and their academic pursuits.

All Step Sing participants with at least one undergraduate semester remaining were eligible to apply to receive funds from the Step Sing Endowed Scholarship. We will be announcing the recipients on stage following the Saturday evening performance.

Your gifts will go directly to the continued education of students at Samford University. We would be honored to have you join us in this endeavor.

Our goal is to raise funds to provide as many scholarships as possible this year and in years to come. You can donate online via our giving site samford.edu/stepsing.

We can't wait to see the impact this Step Sing season can make with the help of each of you!

BANNER DROP

Step Sing has developed many traditions over the years. Before Spring classes begin, students gather on campus for the event that officially kicks off the Step Sing season, Banner Drop. Held this year in the Wright Center, each group let their banner drop from above to reveal their show's title and theme. It is a tradition that each show's theme be kept secret until as close to the show opening as possible. Because of this, at Banner Drop, the title and banner are creatively used to throw off those that are not in the show! The banners are judged at this event, and the first-place group participants have the first choice for participant tickets. Following Banner Drop, the banners are displayed in the Caf and then moved for the show weekend to the Wright Center Lobby for our in-house audience to enjoy!

JUDGING

Shows are judged during both Friday and Saturday evening performances by a different panel of judges who were selected for their qualification in one of the following categories: Music, Choreography, Theatre, Student Affairs, or Samford Alumni.

Although each judge is selected for his or her experience in a specific area, each judge gives a score in every category. The combination of expert and novice opinions rewards the most well-rounded group that is both technically proficient and entertaining.

Judges do not see the shows before scoring to prevent bias. Score sheets are collected during intermission and at the end of the show to allow judges to score each half, account for the fact that they have not seen the show before, and make up for a bias caused by the order of the show.

Each show's highest and lowest scores are dropped, and the middle scores are averaged to provide the final score.

SCORING

Each show will receive a score of up to 100 points from each judge with a maximum of the following point values:

ENTERTAINMENT VALUE || 30 points

MUSICAL QUALITY || 20 points (10 points for Song Selection & Arrangement and 10 points for Execution)

CHOREOGRAPHY || 20 points (10 points for Difficulty & Design and 10 points for Execution)

THEME DEVELOPMENT || 15 points

CREATIVITY || 15 points

JUDGED AWARDS

The primary awards decided by the score of our judges are:

SWEEPSTAKES AWARD || Awarded to the group with the overall highest score

FIRST RUNNER UP || Awarded to the group with the second highest score

SECOND RUNNER UP || Awarded to the group with the third highest score

The excellence awards are awarded to the groups with the highest score in a certain category given by the judges. The excellence awards are:

EXCELLENCE IN MUSIC || Awarded to the group with the most points in the Music category

EXCELLENCE IN CHOREOGRAPHY || Awarded to the group with the most points in the Choreography category

EXCELLENCE IN CREATIVITY || Awarded to the group with the most points in the Creativity category

ADDITIONAL AWARDS

COMMITTEE CHOICE AWARDS || After spending extensive time working with the show directors and watching the shows develop from ideas to performance, the Step Sing Committee votes on which shows to recognize for having the Favorite Moment, Favorite Song, and Directors of the Year.

PARTICIPANT CHOICE AWARDS || Participants can vote for their favorite Step Sing show in the following categories: Music, Choreography, Costumes, and Emcee.

SPIRIT OF STEP SING AWARD || The Spirit of Step Sing Award is given to one member of each group chosen by the show directors as someone who embodies the energy and attitude of Step Sing.

STEP SING CHARACTER AWARD || Established in 2016, this is awarded to the group who demonstrates a spirit of congeniality and character in their actions on the stage and behind the scenes. This award is voted on by the Overall Step Sing Committee, the Office of Student Activities and Events, and the Wright Center Staff.

STEP SING PHILANTHROPY AWARD || The Philanthropy Award is presented to the Step Sing group who has raised the most money in donations to our philanthropy. The QR code that is included previously in this program keeps track of how much each group has donated and at the end of the four shows, the group that has the most donations receives the Philanthropy Award.
