

GREETINGS!

Hi y'all! Welcome to the 71st production of Step Sing here at Samford University! We are so excited to be serving as your Step Sing Committee Chairs this year. After the tough decision to not host Step Sing in 2021, we are so thrilled to be able to be back here in the Wright Center to make this incredible event happen again!

Step Sing is such a prominent part of the Samford experience that is held dear by both our present students and returning alumni. Through the process of Step Sing, we've seen lifelong friendships and an atmosphere of encouragement form through the power of working in a team setting that fosters individual growth. I mean, how could you not love it? We are both thankful and honored to be a part of this beloved tradition.

We have been blown away by the diligence of each show's directors and participants through the tireless efforts of so, so many rehearsals and their upbeat attitudes through all of it. We want to extend a thank you to the directors, Step Sing Overall Committee, Wright Center Staff, Media Center Staff, and Nicole Klaubert-our fearless leader!

We can't contain our excitement anymore, so let's get on with the show!

HISTORY OF STEP SING

Step Sing began as a sing-along on the steps of Renfroe Hall at the Howard College East Lake Campus in 1951, making 2022 a celebration of 71 years of Step Sing. Sponsored by the Women's Service Organization, it was originally held once a semester and soon began to take the form of a competition. In the late 1950's, campus organizations decided to gather only once a year in December. They moved the competition to the steps of "Old Main," where each group sang two songs.

In 1957, Howard College moved to its present location on Lakeshore Drive, bringing with it the tradition of Step Sing. Many changes, including the addition of costumes and props, took place during the 1960's. In 1966, emcees became a part of the action, and in 1967, each group began choosing a theme around which to base its show.

In 1971, Step Sing celebrated its twentieth anniversary, and the Sweepstakes Trophy was added. A few years later, the first band accompanied the performances. In 1976, Step Sing was moved to its current home in the Wright Center.

Groups began using recorded music instead of the Step Sing band in the early 1990's, and the committee began awarding "Participants' Choice Award" to the cast members' favorite show.

Under the direction of the Division of Student Affairs and Enrollment Management and the Office of Student Activities and Events, Step Sing is organized by students, including music arrangement, choreography, and costume design. Step Sing has become an educational activity in which the students participate through leadership development, organizational administration and time management, and continues to be one of the most popular traditions at Samford.

STEP SING SCHOLARSHIP

In celebration of the 71st anniversary of Step Sing, we will maintain the Step Sing Endowed Scholarship, which was established in 2020. Through the years, students at Samford University have worked tirelessly to keep this tradition thriving, and Step Sing is thrilled to acknowledge these students and their academic pursuits.

All Step Sing participants with at least one undergraduate semester remaining were eligible to apply to receive funds from the Step Sing Endowed Scholarship. We will be announcing the recipients on stage following the Saturday evening performance.

Your gifts will go directly to the continued education of students at Samford University. We would be honored to have you join us in this endeavor.

Our goal is to raise funds to provide as many scholarships as possible this year and in years to come. There are numerous ways to donate including our online giving site samford.edu/stepsing.

We can't wait to see the impact this Step Sing season can make with the help of each of you!

BANNER DROP

Step Sing has developed many traditions over the years. Before Spring classes begin, students gather on campus for the event that officially kicks off the Step Sing season, Banner Drop. Held this year in the Wright Center, each group let their banner drop from above to reveal their show's title and theme. It is a tradition that each show's theme be kept secret until as close to the show opening as possible. Because of this, at Banner Drop, the title and banner are creatively used to throw off those that are not in the show! The banners are judged at this event, and the first-place group participants have the first choice for participant tickets. Following Banner Drop, the banners are displayed in the Caf and then moved for the show weekend to the Wright Center Lobby for our in-house audience to enjoy!

JUDGED AWARDS

The primary awards decided by the score of our judges are:

Sweepstakes Award // Awarded to the group with the overall highest score

Women's Division Winner // Awarded to the group with the highest score in the Women's Division

Men's Division Winner // Awarded to the group with the highest score in the Men's Division

The Men's and Women's Division Winners depend on the Sweepstakes Winner. For whichever division the Sweepstakes winner comes from, the next highest ranking group will be awarded the division winner.

The excellence awards are awarded to the groups with the highest score in a certain category given by the judges. The excellence awards are:

Excellence in Music // Awarded to the group with the most points in the Music category

Excellence in Choreography // Awarded to the group with the most points in the Choreography category

Excellence in Creativity // Awarded to the group with the most points in the Creativity category

ADDITIONAL AWARDS

Committee Choice Awards // After spending extensive time working with the show directors and watching the shows develop from ideas to performance, the Step Sing Committee votes on which shows to recognize for having the Favorite Moment, Favorite Song, and Directors of the Year.

Participant Choice Awards // Participants can vote for their favorite Step Sing show in the following categories: Music, Choreography, Costumes, and Emcee.

Spirit of Step Sing Award // The Spirit of Step Sing Award is given to one member of each group chosen by the show directors as someone who embodies the energy and attitude of Step Sing.

Step Sing Character Award // Established in 2016, this is awarded to the group who demonstrates a spirit of congeniality and character in their actions on the stage and behind the scenes. This award is voted on by the Overall Step Sing Committee, the Office of Student Activities and Events, and the Wright Center Staff.

JUDGING

Shows are judged during both Friday and Saturday evening performances by a different panel of judges who were selected for their qualification in one of the following categories: Music, Choreography, Theatre, Student Affairs Professional, or Samford Alumni.

Although each judge is selected for his or her experience in a specific area, each judge gives a score in every category. The combination of expert and novice opinions rewards the most well-rounded group that is both technically proficient and entertaining.

Judges do not see the shows before scoring to prevent bias. Score sheets are collected during intermission and at the end of the show to allow judges to score each half, account for the fact that they have not seen the show before, and make up for a bias caused by the order of the show.

Each show's highest and lowest scores are dropped, and the middle scores are averaged to provide the final score.

SCORING

Each show will receive a score of up to 100 points from each judge with a maximum of the following point values:

Entertainment Value // 30 points

Musical Quality // 20 points (10 points for Song Selection & Arrangement and 10 points for Execution)

Choreography // 20 points (10 points for Difficulty & Design and 10 points for Execution)

Theme Development // 15 points

Creativity // 15 points

RED FLAGS

The morning sun rises on the beach as the glorious day to train new lifeguards has arrived. One prospect in particular has trouble successfully completing the drills. After failing training, he is faced with the unexpected challenge of saving the head lifeguard from the stormy ocean waves. With the support of the other lifeguards, the struggling trainee gains the courage of a true lifeguard to venture out into the waves and save his superior. In recognition of his bravery, the trainee earns a spot on the lifeguard team, achieving his dream of wearing the red cross and keeping the beach safe.

NEW KIDS ON THE BLOCK

“New Kids on the Block” takes us back in time to the hours spent outside after school with our best friends. The time when math homework didn’t involve letters and our biggest worry was rain forcing us to stay inside. Life felt so simple and little things like popsicles, bikes, and scooters brought us so much joy. Our imagination ran wild and there were countless opportunities for adventure.

ROOKIES

After weeks of hard work, a group of firefighters in training are eager to ace the final test to officially become firefighters. As they wait for the fire alarm to signal the moment they've all been waiting for, the trainees work on their dreaded everyday chores, try to save a cat or two from a tree, and finally respond to the call that starts their test. Once the test starts and it's time for them to prove that they've got what it takes to be firefighters, they have to decide if they're really ready to fight for their dream - to be more than just rookies.
