Living Legacy Award

IDA MOFFETT SCHOOL OF NURSING
SAMFORD UNIVERSITY

Purpose: The purpose of the Ida Moffett School of Nursing (IMSON) Living Legacy Awards is to recognize and honor Birmingham Baptist Hospital (BBH) and IMSON alumni whose local touch has a global reach. Every day Moffett Nurses are changing the world through their actions and the Living Legacy Awards are established to recognize those individuals who are perpetuating Mrs. Moffett's vision for leadership and service to others. Recipients of the awards do not have to have demonstrated an impact in the field of nursing; individuals will be recognized for their contributions to patient care, missions, service, education, administration, entrepreneurship and more.

Criteria: Any BBH or IMSON alumnus who has made a significant impact on humanity based on the following criteria:

1. Demonstrates a significant contribution to the mental, physical or spiritual well-being of others.
2. Demonstrates the Ida Moffett School of Nursing’s key values (academic excellence, service, caring and compassion) through not only words but also actions.
3. Exhibits professionalism and leadership through current and/or previous endeavors.
4. Inspires innovation and/or influences positive change in the world around them.

Eligibility: BBH or IMSON alumni who meet the criteria outlined above through current or past actions and accomplishments. Current faculty of the Ida Moffett School of Nursing are not eligible for the award.

Nominations: Nominations must include a completed the Living Legacy nomination form, a description of how the nominee has made a difference in the lives of others based on the outlined criteria (please limit submissions to 500 words), and a photo of the nominee. Additional supporting documents may be submitted (see checklist). If needed, please reach out to your nominee to ensure that you are including all pertinent information; nominees may help you complete their nomination packet.

Selection: All applications will be reviewed by the selection committee to determine nominees who best meet the award criteria. The deadline for nominations is April 30, 2019. The recipient will be honored at an elegant Gala on Friday, September 27 at The Club.
