2019 MCWHORTER SCHOOL OF PHARMACY PRECEPTOR PROGRAM

January 27, 2019
1:00 – 3:15 (sign-in 12:30 P.M.)
Samford University College of Health Sciences, rooms 1222 & 1409

STATEMENT OF EDUCATIONAL NEED

Regulations affecting pharmacy education and practice consistently evolve. Therefore, there is a continual need to remain up-to-date. The purpose of this ACPE-accredited activity is to update pharmacists as teachers of future pharmacists known as interns/externs. Speakers will provide an active learning environment that facilitates understanding of the Alabama Board of Pharmacy regulations related to preceptors. Tools to enhance the educational experience of experiential pharmacy students will also be shared.

Resources:
- Data on file
- Alabama board of pharmacy practice of pharmacy act 205 article 1 general provisions, section 34-23-1 (20)

This is a knowledge-based CPE activity and appropriate for all pharmacists and is registered with the Alabama State Board of Pharmacy for preceptor hours. To receive credit, participants must attend one of the program options and complete program assessments. Credit will be sent electronically through CPE Monitor within 30 days following the program. NABP e-Profile ID# and Date of Birth (mmdd) required.

There are two program options that will be offered simultaneously. You should choose one program option based upon your experience. You cannot attend both sessions.

Program Option 1: Preceptor Basics – designed for new preceptors (< 2 years)

12:30 P.M. Registration sign-in
1:00 P.M. Preceptor Basics, Alabama Law and Incorporating Students into the Workflow
  *Angela (Dee) R.Thomason, Pharm.D.,BCPS, Samford faculty
2:00 P.M. Break
2:15 P.M. Preceptor Basics…… (continues)
3:15 P.M. Dismissal

Objectives for Preceptor Basics (Program Option 1):
- Identify the requirements of becoming a preceptor under the Alabama Board of Pharmacy Legislation and Rules
- Identify the requirements of students as an intern or extern under the Alabama Board of Pharmacy Legislation and Rules.
- Outline basic guiding principles for positive learning experience for students during an experiential course.
- Formulate models of incorporating students into the workflow for a positive learning experience.
- Evaluate examples of models used to incorporate students into the workflow

UAN 0002-0000-19-001-L04-P
