

## **2026 MCWHORTER SCHOOL OF PHARMACY PRECEPTOR PROGRAM**

**Date:** Sunday, March 1, 2026

**Time:** 1:00 – 3:15 P.M. (Login begins at 12:30 P.M.)

**Location:** Event will occur **live, online** (See technical specifications below)

**Credit:** 2 Contact hours of Continuing Pharmacy Education (CPE) credit (0.2 CEUs) for **Pharmacists**

### **STATEMENT OF EDUCATIONAL NEED**

To serve as a preceptor of pharmacy interns/externs, a pharmacist must be duly licensed and meet requirements as established by the state board of pharmacy. The requirements necessitated by the Alabama Board of Pharmacy (ALBOP) includes specialized training and continual education on best practices for pharmacy preceptors. The purpose of the activity is providing the participant with the specialized training/education needed to serve in this important role. Speakers will provide an active learning environment that facilitates understanding of the ALBOP regulations related to preceptors. Tools to enhance the educational experience of experiential pharmacy students will also be shared.

**This is a knowledge-based CPE activity appropriate for all pharmacists and is registered with the Alabama State Board of Pharmacy for preceptor continuing education hours for both the initial and renewal preceptor training for the 2025–2026 renewal period.** To receive credit, participants must attend the entire session and complete program assessments. Credit will be sent electronically through CPE Monitor within 30 days following the program. NABP e-Profile ID# and Date of Birth (mmdd) required.

**ACPE UAN: 0002-0000-26-001-L99-P**

**Schedule:**

1:00-1:05 – Welcome, Announcements, and Introductions

**Session 1**

1:05-1:20 – Law Update

1:20-2:00 – Experiential Education Policy Highlight: “Time and Attendance”

2:00-2:05 – Session 1 Q&A

2:05-2:10 – Break

**Session 2**

2:10-3:05 – Leveraging AI as a Preceptor: Practical Tools to Enhance Teaching, Efficiency, and Learner Engagement

3:05-3:10 – Session 2 Q&A

3:10-3:15 – Closing Remarks and CE Code

**Learning Objectives:**

- Identify the requirements for obtaining and maintaining Alabama Board of Pharmacy approval to serve as a preceptor.
- Describe the key components of the experiential time and attendance policy.
- Describe how artificial intelligence may augment, rather than replace, preceptor judgment and teaching in experiential education.
- Identify common experiential precepting tasks in which artificial intelligence may be used to support teaching and learning, student skill development, assessment and feedback, and workflow efficiency.
- Explain the purpose of structured prompts when using AI to generate learner-centered educational materials.
- Recognize examples of AI-assisted strategies applicable to experiential learning environments.
