

Major: **ORGANIZATIONAL LEADERSHIP**

Degree: **BACHELOR OF ARTS**

Samford University's Evening College is dedicated to making transfer of academic credit from the community college system as seamless as possible. The transfer guidelines outline the courses that community college system students should take to ensure minimal loss of credit hours and maximum preparation for entrance into the Evening College at Samford University. Please note that these requirements are intentionally flexible in an effort to facilitate ease of transfer into the Evening College. Our degree completion programs have been created with this in mind, and include all upper-level courses we believe are necessary to ensure your future preparedness and success.

This guide is intended for Alabama Community College System students only. Students transferring in from other institutions should contact the Evening College office at 205-726-2898.
