When do XFL
followers post to
Twitter?

What are the top 15 most relevant brands to XFL followers?

- Note: Global relevance and affinity are defined later in the report. Also, the number listed to the left of the company name on the top line of each account indicates the rank of the account amongst the top 1,000 most relevant social accounts for all XFL followers. For example, while PFF is the most relevant brand account, it is only the 44th most relevant account amongst all social accounts to XFL followers.
- This page and every slide after starts in the first column and reads top to bottom, second column, third column, etc.
