

Step Sing 2026
SAMFORD UNIVERSITY

January 29-31, 2026

A NOTE FROM THE OVERALL *Student Directors*

Welcome to Step Sing at Samford University! We are so grateful to have you with us tonight, and we truly appreciate your energy, excitement, and support. Your presence is what makes this tradition so special year after year.

Step Sing has been one of Samford's most cherished traditions for generations. Through music, creativity, and community, our students pour themselves into an experience that builds lifelong friendships and unforgettable memories. Our directors have been working on these shows since August: dreaming, planning, and preparing long before rehearsals ever began, and every group has dedicated countless hours to bringing their performances to life.

As your 2026 Step Sing Overall Student Directors, it has been an honor and a joy to walk alongside our directors, performers, staff, and volunteers throughout this season. We would like to extend a heartfelt thank-you to the remarkable individuals who make Step Sing possible: the Step Sing Overall Committee, the dedicated staff of the Wright Center and Media Center, Lauren Taylor, costume coordinator Mary Taylor Gurney, working alongside Alyssa Douglas and their incredible team, and, of course, Emily Paxton and Brittany Kennemur, whose leadership and commitment are at the core of this production's success.

Now, it's time to sit back, take it all in, and enjoy the show.

Welcome to Step Sing!

Step Sing Scholarship

Step Sing honors legacy and tradition through the Step Sing Endowed Scholarship. This scholarship was established in 2020, in celebration of 70 years of Step Sing. The Step Sing Endowed Scholarship has provided scholarships for over 100 students.

All Step Sing participants with at least one undergraduate semester remaining were eligible to apply to receive funds from the Step Sing Endowed Scholarship. We will be announcing the recipients on stage following the Saturday evening performance.

Your gifts will go directly to the continued education of students at Samford University. We would be honored to have you join us in this endeavor.

Our goal is to raise funds to provide as many scholarships as possible this year and in years to come. You can donate online via our giving site samford.edu/stepsing.

We can't wait to see the impact this Step Sing season can make with the help of each of you!

STEP SING SCHOLARSHIP NOW!

Step Sing began as a sing-along on the steps of Renfroe Hall at the Howard College East Lake Campus in **1951**, making 2026 a celebration of 76 years of Step Sing. Sponsored by the Women's Service Organization, it was originally held once a semester and soon began to take the form of a competition. In the late 1950's, campus organizations decided to gather only once a year in December. They moved the competition to the steps of "Old Main," where each group sang two songs.

In **1957**, Howard College moved to its present location on Lakeshore Drive, bringing with it the tradition of Step Sing. Many changes, including the addition of costumes and props, took place during the 1960's. In **1966**, emcees became a part of the action, and in **1967**, each group began choosing a theme around which to base its show.

In **1971**, Step Sing celebrated its twentieth anniversary, and the Sweepstakes Trophy was added. A few years later, the first band accompanied the performances. Step Sing occurred in many different venues around campus including the cafeteria, Seibert gymnasium before moving its current location, The Wright Center, in **1976**.

In the **1990s**, groups began using recorded music instead of the Step Sing band. Step Sing Committee began awarding Committee Choice Awards.

Due to popular demand, a matinee show was added beginning in **2014**. Step Sing has continued to grow, increasing group size to 80 participants per group and inviting three new groups to the stage in 2025.

Under the direction of the Division of Student Affairs and the Office of Student Activities and Events, Step Sing is organized by students, including music arrangement, choreography, and costume design. Step Sing has become an educational activity in which the students participate through leadership development, organizational administration and time management, and continues to be one of the most popular traditions at Samford.

History of Step Sing

Banner Drop

Step Sing has developed many traditions over the years. As Spring classes begin, students gather on campus for the event that officially kicks off the Step Sing season, **Banner Drop**. Held in the Wright Center, each group let their banner drop from above to reveal their show's title and theme. It is a tradition that each show's theme be kept secret until as close to the show opening as possible. Because of this, at Banner Drop, the title and banner are creatively used to throw off those that are not in the show! The banners are judged at this event, and the first-place group participants have the first choice for participant tickets. Following Banner Drop, the banners are displayed in the cafeteria and then moved for the show weekend to the Wright Center Lobby for our in-house audience to enjoy!

Another Step Sing tradition that has grown over the years is the use of signature moves. All participating groups have developed a recognizable gesture or short choreographed sequence that becomes uniquely theirs. It has become a favorite element of Step Sing culture for groups to incorporate another group's signature move into their own show as a shout-out, a moment that always sparks excitement when the referenced group reacts from the audience.

Signature moves are often the moments that make the audience erupt—when a familiar motion appears, the crowd instantly knows who it belongs to. These gestures carry years of history, pride, and shared memory, turning a few seconds of choreography into something unforgettable. For performers and spectators alike, seeing a signature move on stage is a reminder of why Step Sing is so deeply loved: tradition, unity, and the joy of celebrating something bigger than one group.

These moments, sometimes subtle and other times big crowd-pleasers, serve as a reminder that Step Sing is not only a competition but also a shared experience that brings the Samford community together.

When watching the show, be on the lookout for some repeated moves... you might be watching a classic Step Sing Tradition!

Judging

Shows are judged during both Friday and Saturday evening performances by a different panel of judges. This year our panel of judges is comprised of Samford Faculty and Alumni who have experience in music, theatre, dance, as well as Step Sing in some capacity.

Although each judge is selected for his or her experience in a specific area, each judge gives a score in every category. The combination of these opinions rewards the most well-rounded group that is both technically proficient and entertaining.

Judges do not see the shows before scoring to prevent bias. Score sheets are collected during intermission and at the end of the show to allow judges to score each half, account for the fact that they have not seen the show before and account for any potential bias caused by the order of the show.

Each show's highest and lowest scores are dropped, and the middle scores are averaged to provide the final score.

Scoring

Each show will receive a score of up to 100 points from each judge with a maximum of the following point values:

Entertainment Value: 30 points

Musical Quality: 20 points (10 points for Song Selection & Arrangement and 10 points for Execution)

Choreography: 20 points (10 points for Difficulty & Design and 10 points for Execution)

Theme Development: 15 points

Creativity: 15 points

Judges Awards

The primary awards decided by the score of our judges are:

SWEEPSTAKES AWARD • Awarded to the group with the highest score overall.

FIRST RUNNER UP • Awarded to the group with the second highest score.

SECOND RUNNER UP • Awarded to the group with the third highest score.

The Excellence awards are awarded to the groups with the highest score in a certain category given by the judges. The Excellence awards are:

EXCELLENCE IN MUSIC • Awarded to the group with the most points in the Music category.

EXCELLENCE IN CHOREOGRAPHY • Awarded to the group with the most points in the Choreography category.

EXCELLENCE IN CREATIVITY • Awarded to the group with the most points in the Creativity category.

Additional Awards

COMMITTEE CHOICE AWARDS • After spending extensive time working with the show directors and watching the shows develop from ideas to performance, the Step Sing Committee votes on which shows to recognize for having the Favorite Moment, Favorite Song, and Directors of the Year.

PARTICIPANT CHOICE AWARDS • Participants can vote for their favorite Step Sing show in the following categories: Music, Choreography, Costumes, and Emcee.

SPRIT OF STEP SING AWARD • The Spirit of Step Sing Award is given to one member of each group chosen by the show directors as someone who embodies the energy and attitude of Step Sing.

STEP SING CHARACTER AWARD • Established in 2016, this is awarded to the group who demonstrates a spirit of congeniality and character in their actions on the stage and behind the scenes. This award is voted on by the Overall Step Sing Committee, the Office of Student Activities and Events, and the Wright Center Staff.

STEP SING PHILANTHROPY AWARD • The Philanthropy Award is presented to the Step Sing group who has raised the most money in donations to our philanthropy. The QR code that is included previously in this program keeps track of how much each group has donated and at the end of the four shows, the group that has the most donations receives the Philanthropy Award.

Our little penguin friend wants to fly. All he's ever dreamed of is flying like a true bird, but he has never come close. Our story takes place as our Penguin friend enlists the help of his flock of friends and tries to fly, but all they know is being a penguin, sliding around, fishing, waddling, not flying. Our good friends, the polar bears, come in to train the penguin in how to fly in a funny training dance break that leads to the Penguin finally gaining the confidence to try and fly. But he can't. It is a sad sight to see as our little friend tries to find the courage to get back up, but he still hasn't found what he is looking for. That is, until the polar bears come back out and show our Penguin that true flight is found on the wings of friendship, hoisting him in the air and flying him around the stage, defying the odds and defying gravity.

APPLAUSE

Our show follows a group of fashionistas with big dreams of walking the runway for New York Fashion week! When our show begins, the fashionistas are full of high hopes and big dreams, but are slowly faced with discouragement when the critics arrive and choose no one. What began as a pursuit of recognition, becomes a reminder that self worth is not defined by a single show or opportunity. After feeling discouraged for a moment, the girls begin to uplift and encourage one another. Through this, they discover that their strength, resilience, and sisterhood are what makes them shine! The fashionistas come to realize that they don't need fashion week to be stars because they already are stars! Join the sisters of Kappa Delta as we walk the runway!

SWEAT

Amidst the colorful and retro years of the 80s, the newest and most action-packed fitness fad arises. One group takes on the challenge of the most high energy, neon lit, heart pumping workout you could imagine: "Jazz Fit." Ankle weights on, sweat dripping, legs cramping, temperature rising, sweet tooth churning, and the boom box at max volume. Will they rise to the occasion and make it through? Or will they fold under the pressure of the tights?

CATCH ME IF YOU CAN

For 75 years, a certain determined grandmother has tried--and failed--to outsmart a lively troupe of leprechauns, whose love of gold is matched only by their playful mischief. As the group sets off on their annual journey over the rainbow, they are met by plenty of surprises and setbacks. Their spirited antics, love of gold, and whimsical charm bring the tale to life as the chase unfolds onstage.
